réservés pour les petits chantres oblats par la compagnie du C.P.R. (Canadian Pacific Railway).

Voici le commentaire du journal d'expression anglaise :

« An Edmonton choir is going to provide some linkage between western Canada and the east. The St. John's College Boys' Choir has been provided with an unusual opportunity to tour Quebec and Ontario through the good offices of Monsignor Vandry, rector of Laval University, Quebec City.

Perhaps the invitation from the Laval rector could be considered a concrete expression of his appreciation of the honor recently accorded him by the west. The University of Alberta, at its May Convocation, bestowed on him the honorary degree of doctor of laws. It is, at any rate, a highly commendable move, and one that should, in a small way, help to bring western and eastern Canada closer together.

The boys attending the Roman Catholic college come from all parts of the province and, in national origins, are quite cosmopolitan. These characteristics of the student body carry over into the choir.

For the boys themselves, and their conductor, Father Pepin, it will be a rare opportunity and an educational one. They will give concerts in all the principal cities and many smaller centres. They are leaving here the week of June 20 right after their last college examinations. Before departing, they will give a farewell concert in the Strand theatre June 19 at 9.00 p.m. The group includes a number with dramatic interests and talent, and a one-act play will be an intermission ».

## La Légion d'Honneur au R.P. Emile Teston O.M.I.

La presse canadienne de l'Ouest annonçait dans un de ses numéros d'octobre 1950, l'octroi de la médaille de la Légion d'Honneur au R. P. Emile Teston, O.M.I., de la Province d'Alberta-Saskatchewan. Nous avons
